Foundation Endowment Options

Endowment Fund:

The **Endowment Fund** is designed to provide funds to Legion and Veterans' programs from the interest income it collects. This never-ending source of revenue will never reduce the capital portion of the fund and donors can be assured that a certain amount of support to Veterans will be contributed year after year.

Committed Funds:

The American Legion Department of Maine Foundation also serves as a non-profit umbrella for The American Legion, Department of Maine **Committed Funds**. These funds are based on the Four Pillars of The American Legion and include Americanism, Children & Youth, National Security and Veterans Affairs & Rehabilitation. The option of donating to a Maine American Legion Post or to the National Leadership Fund, a fund designed to help assist with the financial needs of current and future leaders of The American Legion is also available. Money donated to the designated fund of choice goes strictly to that fund and is not shared or mixed with other funds.

About us

The American Legion, Department of Maine Foundation is a 501 (c)(3) non-profit organization exclusively for charitable purposes including the making of distributions to organizations that qualify as exempt organizations described under section 501(c)(3) of the Internal Revenue code, or corresponding section of any future federal tax code. All donations to the foundation are tax deductible under the United States Tax Code and Internal Revenue Service.

Living Trusts & Wills

In addition to providing for the future financial security of your family and others, your will or living trust can offer another way to make thoughtful charitable contributions or gifts to the Foundation in support of our Maine Veterans. A will or trust can make sure your estate continues helping those who served and continue to serve. A simple provision or amendment prepared by your attorney at the time you make or update your will or trust is all that is needed.
