COMMANDER'S PROJECT 2025-26

*Department Commander
Leroy McKenzie asks that each
Post and Legionnaire support his goal!*

EMBER'S PAWS OF HOPE

EMBER'S PAWS OF HOPE:

A nonprofit organization dedicated to providing emotional and mental support to veterans and first responders through the use of future certified therapy dog(s). Members of our team have a diverse background which include being trained in critical incident stress management and peer support, and we visit fire

stations, police stations, hospitals, and veterans facilities to offer comfort and companionship to those who serve our communities.

THE ANGEL: Ember was 9 weeks old when she moved in with Tim Nickels, the goal was to have Ember become a therapy dog. It was discovered that Ember was too attached to Tim but no one knew that would save him later on. Anytime Tim was having a hard day or a bad shift Ember would sit with Tim. Tim was diagnosed with PTSD in 2020, Ember wouldn't leave his side. Ember knew something was up. Tim became suicidal and made attempts to end his life. Ember stopped him at least three times. When the days were dark, Ember wouldn't let him leave without her.

THE PROJECT: National American Legion asks Departments to partner with local organizations to support BE THE ONE. Commander McKenzie has chosen to partner with Ember's Paws of Hope (EPOH), an organization committed to provide, comfort, support, and emotional healing to veterans and first responders through the unconditional love and companionship of therapy dog. EPOH is dedicated to enhancing the wellbeing of those who serve our communities and country, offering a source of solace in times of stress, trauma and hardship.

THE PLAN: We are asking all American Legion Posts and/or members to financially contribute to Ember's Paws of Hope. This new 501-c-3 needs funding to provide more trained therapy dogs and make more appearances to provide physical, emotional and social well-being to others in need.

Donations can be made to The American Legion Dept. of Maine, 5 Verti Drive, Winslow, ME 04901-0727. Please place in the memo line of the check: Ember's Paws of Hope or Commander's Project 2025-2026

MILITARY TRIVIA

A. On June 16–17 1968, the USS Boston, a cruiser class guided missile destroyer, was conducting naval gunfire support against North Vietnamese targets, in company with the destroyers USS Edson, USS Theodore E. Chandler and the Australian guided missile destroyer RAS Hobart, when the group was attacked by USAF aircraft from the 366th Tactical Fighter Wing. The jets fired two missiles at USS Boston and one exploded 200 yards off the port beam and the other close aboard to port, showering the ship with fragments. No sailors were injured and the sparrow missiles caused only minor structural damage. However, the Royal Australian Ship Hobart was hit by 3 missiles, killing two sailors & wounding eight more. The USAF aircraft came around for a third attack but were scared off when the Hobart fired at the aircraft.

The American Legion Style Guide Standards & Best Practices

Introduction

This style guide has been developed to assist American Legion staff and volunteers to be as consistent as possible in all written communications. The ultimate goal is for articles, press releases, social media posts, brochures, booklets and other published material to have a uniform style. This booklet does not replace rules and regulations adopted at local posts or individual departments; however, it is designed to offer guidance as to established norms, and is highly recommended for use at every level of the organization.

Sections include quick tips; the use of abbreviations, acronyms and capitalization; titles; and military terms and ranks.

In most circumstances, The American Legion follows AP style, as outlined in the latest editions of The Associated Press Stylebook and Webster's New World College Dictionary.

Quick Tips

Keep your text simple. Don't use two words when one will do.

Not sure when to capitalize the "t" in The American Legion? Only when referring to the main organization or Sons of The American Legion. When the name is followed by another word or words, go with a lowercase "t": the American Legion Family, the American Legion Department of California, the American Legion Riders, the American Legion Legacy Run, the American Legion Baseball program, the American Legion Veterans & Children Foundation.

It's often necessary to give readers a full term or name before using an abbreviation or acronym. For example, most people know the Department of Veterans Affairs as VA, but don't know what CARES stands for (Capital Asset Realignment for Enhanced Services). On first reference, give the full name or term. Use the acronym in second and further references: American Legion posts nationwide are raising money for the National Emergency Fund. After that, use the acronym: the NEF provides direct financial assistance. Avoid abbreviations and most acronyms in headlines except those widely recognizable: FBI, IRS, NASA, etc.

Avoid alphabet soup by using capitalization only where it's needed and appropriate. When too many words are emphasized, none stand out. Don't say, American Legion Posts are full of Veterans who respect our Nation's Flag. Do say, American Legion posts are full of veterans who respect our nation's flag. Limit capitalization to the first word of a sentence, proper nouns (people, groups, places, etc.), and titles preceding names.

What about titles? This rule is simple: capitalize a title preceding a name: President Joe Biden signed the bill.

Don't capitalize a title if it follows the name or is used without an individual's name: the president visited Arlington National Cemetery. A few American Legion-specific examples include:

Preceding vs. Following

National Commander Vincent J. "Jim" Troiola

Vincent J. "Jim" Troiola, national commander

American Legion Auxiliary President Vickie Koutz
Vickie Koutz, president of the American Legion Auxiliary
Department of Indiana Commander James Daube
James Daube, commander of the Indiana American Legion
Post 48 Commander Jane Smith

Jane Smith, commander of Post 48

National Americanism Commission Chairman Mark Avis

Mark Avis, chairman of the Legion's National Americanism Commission

Abbreviate only a handful of titles. Spell out most formal titles, with the exceptions of Dr. (doctor), Gov. (governor), Lt. Gov. (lieutenant governor), Rep. (representative), Sen. (senator), the Rev. (minister or priest) and certain military titles. Avoid using Dr. as a formal title for individuals without a doctoral degree in dental surgery, medicine, optometry, or osteopathic, podiatric or veterinary medicine. If the context calls for using Dr. to identify a person with another type of doctoral degree, indicate the specialty in first or second reference.

Training Tuesdays

The last Tuesday of each month American Legion National Headquarters staff will present 60 to 90-minute sessions on topics aimed at post commanders and adjutants. Each session will be recorded and made available for later viewing.

American Legion Family USA 250 Challenge

The American Legion Family is honoring the nation's 250th birthday with a commitment to embracing physical activity, supporting mental health and serving its communities. The USA 250 Challenge encourages American Legion Family members, other veterans and all Americans to participate, and even raise additional money to support our disabled veterans and families in need through The American Legion Veterans & Children Foundation.

American Legion National Commander James LaCoursiere launched the USA 250 Challenge on July 3, 2025. The year-long initiative offers three categories — fitness, mental wellness and community service — in order to engage more American Legion Family members and others to participate.

Participants may engage in one, two or all three activities as an individual or as part of a team like an American Legion post, American Legion Auxiliary unit, Sons of The American Legion squadron and/or an American Legion Riders chapter.

For a \$30 registration fee, participants will receive their choice of a USA 250 Challenge tech shirt. The proceeds will go to the Veterans and Children Foundation (VCF).

Since its inception in 1925 as the American Legion Endowment Fund, the foundation has assisted millions of veterans, their families and children in need. In 2019, the American Legion Endowment Fund began doing business as the American Legion Veterans & Children Foundation to more clearly state who benefits from tax-deductible donations to the separate non-profit 501c3 element of the nation's largest veterans organization.
