COMMANDER'S PROJECT 2021-2022

American Legion, Department of Maine Foundation

The American Legion, Department of Maine Foundation is a 501(c)(3) non-profit organization exclusively for charitable purposes. All donations to the foundation are tax deductible under the United States Tax Code and Internal Revenue Service.

The Mission of the Foundation is to provide financial assistance, promote Americanism, Youth Programs, National Security, and Veterans Affairs and Rehabilitation that will enhance the lives of our veterans, their families, children and communities in the State of Maine today and for future generations.

My goal this year is to raise \$15,000 for the Endowment Fund to help fund American Legion Americanism Programs. Examples include Baseball, Dirigo (Boys) State, and the Oratorical Scholarship program.

America's future lies in our children.

American Legion Baseball, founded in 1925, has taught hundreds of thousands of young Americans the importance of sportsmanship, good health and active citizenship. The program is also a promoter of equality, making teammates out of young athletes regardless of their income levels or social standings.

At Dirigo (Boys) State, participants learn the rights, privileges and responsibilities of franchised citizens. The training centers on the structure of city, county and state governments. Students are elected to various offices. Activities include legislative sessions, court proceedings, law-enforcement presentations, assemblies, bands, and recreational programs. The two representatives elected to represent Maine at Boys Nation in Washington, of federal government.

The American Legion Oratorical Contest exists to develop deeper knowledge and appreciation for the U.S. Constitution among high school students. Since 1938, the program has presented participants with an academic speaking challenge that teaches important leadership qualities, the history of our nation's laws, the ability to think and speak clearly, and an understanding of the duties, responsibilities, rights and privileges of American citizenship.

All these programs help to train and shape our youth into outstanding citizens. Many will become our future leaders and many may become leaders in the American Legion.

I am asking all of you: Legionnaires, Legion Posts, and Districts to please contribute to this endowment fund. It will help so many for many years to come.

Any amount will help, but some have asked for specific amounts.

This is my hope for suggested donations:

Posts with Canteens: \$250

Posts without Canteens: \$100

Districts: \$200

Individuals: Whatever you believe you can contribute.

To donate online, please [CLICK HERE](#), or visit <http://www.mainelegion.org/pages/foundation/donate.php>; click on the "DONATE TODAY" button and choose **Fund 001 AL DOM Foundation – Endowment Fund** and choose Donate with a Debit or Credit Card.

Checks should be made payable to American Legion Department of Maine Foundation and mailed to: American Legion Department of Maine Foundation, 5 Verti Drive Winslow, Maine 04901-0727. Please make sure to provide your name and address so that we may send you a tax receipt.

Thank you all. For God and Country.

MILITARY TRIVIA

Q: Why do sailors salute twice, when boarding a ship?

~ Submitted by Dwayne Hatfield, Mars Hill Post 118

CALL SENATOR COLLINS AND ASK HER TO SUPPORT THE PACT ACT!

(202) 224-2523

The exposure of military personnel to toxic substances, both while deployed overseas or stationed at home has been an ongoing issue across a range of wars and generations. These exposures have resulted in conditions and illnesses among veterans which can have long-lasting effects on health and quality of life. The American Legion has fought an ongoing struggle for service-connected disability benefits for adverse health conditions linked to exposures from various toxic substances.

It took decades for VA to provide relief for veterans of Vietnam exposed to Agent Orange. The U.S. government still has yet to finish its work for Vietnam veterans, and we have begun the cycle anew with the current generation of service members. A disturbingly high percentage of current troops have been exposed to toxic hazards during their service. Yet, the VA has not conducted sufficient studies to determine illnesses and diseases related to various types of toxic chemicals, nor has it begun to develop a list of presumptive conditions.

We must break this cycle of care that is considered "too little, too late" for our veterans. They cannot wait decades to receive the care they need and rightfully deserve.

60's Vegas Glam Party

AMERICAN LEGION FAMILY MEMBER APPRECIATION BANQUET 2022 IS BACK

The theme for this year's banquet will be "Fly Me to the Moon", a Rat Pack, 60's Vegas Glam party.

What does that mean? It means we will be partying with Dean Martin, Frank Sinatra, and Sammy Davis, Jr. with music, photo props and more. What to wear? 1960's attire of course. Have fun with it!

We will honor our Auxiliary Unit Member of the Year as well as the Legionnaire of the Year. Past year's banquets have been a great success, so join again this year for an evening of fun and entertainment. This is not a long, drawn out evening with speakers. It will be fast-paced, entertaining and full of surprises.

There will be a LIMITED number of tickets sold to accommodate space. First come, first serve. No ticky no eaty.

Background

- The American Legion is the nation's largest veterans service organization with more than 1.8 million members in more than 12,000 posts across the country and has its National Headquarters in Indianapolis, Indiana.
- The American Legion's mission is to enhance the well-being of America's veterans, their families, our military, and our communities by their devotion to mutual helpfulness.
- Throughout its more than 100-year history, members of The American Legion have tackled the most important issues and challenges facing our nation's veterans with each generation focused on solving the challenges faced before the ones that preceded them.
- The American Legion is racing to the future. New Era. New Look. Same Mission.
 - ◆ **New Era.** As the military changes, so does The American Legion. Today's service members and veterans come from diverse communities, have had different experiences, and enjoy wide-ranging interests.
 - ◆ **New Look.** New logo is embodiment of where The Legion has been, where it is now and most importantly, where it is racing to in the future.
 - ◆ **Same Mission.** Continue to address the toughest challenges facing our nation's veterans and their families.
- Today, the #1 issue facing those who served is veteran suicide.
 - ◆ According to the [National Veteran Suicide Prevention Annual Report](#).
 - ◆ 17 veterans still die by suicide each day, or more than 6,000 each year.
 - ◆ Rate of suicide for veterans is more than 50% higher than that of non-veteran adults.
- The American Legion is activating a national platform to end veteran suicide.
- The **Be the One** campaign will:
 - ◆ Destigmatize asking for mental health support, creating opportunity for those with mental health issues to speak freely and get the support they need.
 - ◆ Provide peer-to-peer support and resources in local communities.
 - ◆ Deploy FDA-approved therapeutics for veterans to identify issues and find resources for support.

What To Know

1. The stigma associated with mental health issues is a barrier to veterans seeking assistance. They fear loss of their job, think they can handle their situation themselves, or don't think others can understand their situation.
2. Family members may be the first to recognize the signs that their veteran needs help, but they may lack the knowledge of how to approach the situation.
3. There are several innovative programs either funded by the government or private non-governmental organizations that help veterans in crisis, but they often lack funding or broad-based visibility.
4. Veteran service organizations, like The American Legion, provide a well-established peer support network that is ready, willing, and able to help in local communities.
5. The Legion is also willing to explore partnerships with other like-minded organizations where the opportunity exists to amplify and/or complements one another's strengths.

MILITARY TRIVIA

A: One salute is to the captain, or officer of the watch & the other is towards the [taffrail](#), the railing at the back of the ship from which the ship's flag is flying.

The tradition dates to the 1650's English Commonwealth Navy and had nothing to do with a flag. It was about religion. Ships of the period carried a large Christian cross on the quarterdeck/taffrail and it was expected for those coming aboard to salute god. Over time, ships lost the cross, as such features just added weight to the ship and the religious angle lessened. However the act of saluting the Taffrail remained with the later Royal Navy and since the RN became the template for many other Navies, including the US Navy, that tradition likewise got passed on; even if the reason had long been forgotten.
